% Research	0%	0%	25%	0%	0%	0%	0%	0%	25%	0%	25%	N/A	N/A

Notes

Rotation blocks are generally 28 days in length.

**Vacation and research time are scheduled during rotations, and not scheduled separately. If a resident wants to take vacation during their ER or Nuclear Medicine rotations, they must swap months with another resident.
