

Annual Overall KH CME Program Evaluation

To fulfill ACCME accreditation requirements and to assist the KH CME Program in planning for the future, please answer the following questions.

1. I am a:

- DO
- MD
- PA or APRN
- Other Healthcare Provider

2. How many years have you been in health care delivery?

- Less than 5 years
- 5-20 years
- Over 20 years

3. What describes your primary role in medicine?

- Patient Care
- Administration
- Teaching
- Research
- Retired
- Other:

4. Where do you receive most of your CME?

- Hospital Activities
- Specialty meetings (local or out of town)
- Online/Journal
- Up To Date and other point of care learning (Dynamed, ACCPier, Best Practices)

5. About how many KH CME activities do you attend per year?

- 1-10
- Over 10
- None

If None, could any changes be made that would increase your participation?

- Yes
- No

If Yes, what changes?

6. MD's Only - Check those statements that are true for you (check all that apply)

- I rely on KH CME activities to provide the majority of AMA PRA Category 1 CME Credits required by my Ohio Physician licensure.
- I know how to retrieve a summary of my CME credits from the KH CME Website
- I know that 50 AMA PRA Category 1 CME credits every two years are required for Ohio re-licensure.

7. Consider the CME activities you attended over the past year at Kettering Health when answering the following questions. Check those with which you agree:

- I have not attended enough conferences to comment.
- The activities are relevant to my practice.
- The educational format of the activities is appropriate for learning.
- The content presented is up-to-date.
- Speaker knowledge and expertise is at a high level.
- As a result of having attended CME activities, my patients received better care and have better outcomes.

Example(s):

- I am aware of the commercial relationships of speakers and planners

8. As a result of having attended CME activities, I can: (check those which apply to you)

- I have not attended enough conferences to comment.
- Communicate more effectively with physicians from specialties other than my own.
- More effectively counsel my patients about matters outside my specialty.
- Better utilize hospital and community resources.
- Other:

9. If MOC were to be offered, would this increase your participation in Grand Rounds?

- Yes
- No

10. What one topic would be most beneficial to you in your daily practice?

11. Please indicate one change in practice you have made as a result of attending a KH CME event.

12. Please list here any comments, concerns or suggestions you have to help us improve CME at Kettering Health.

13. If offered a choice, I would attend Grand Rounds

- Live in an auditorium
- Virtual (Teams, Zoom, etc.)
- Depends (Explain)
